## **IMPORTANT INFORMATION**

### **Offer to reclassify shares**

At the Annual General Meeting of Kinnevik on 12 May 2025, it was resolved that holders of Class A shares shall have the right to reclassify their Class A shares into Class B shares, whereby each Class A share may be reclassified into one Class B share. According to Kinnevik's Articles of Association, one (1) Class A share carries ten (10) votes, and one (1) Class B share carries one (1) vote. Otherwise, the Articles of Association do not provide for any differences between the share classes. **Holders of Class A shares are reminded that the share price of the Class A share may be higher than that of the Class B share, and that the reclassification may therefore result in a financial loss.**

### **Registration of received notification form and receipt of Class B shares in Kinnevik**

Notification to reclassify Class A shares into Class B shares will be registered with Euroclear Sweden on an ongoing basis starting on 9 June 2025. Registration normally takes place in the VP account a few days after the notification form has been submitted to Handelsbanken. Once the notification has been registered, Euroclear Sweden will send a note to shareholders whose holdings are directly registered, stating the number of Class A shares in Kinnevik that have been submitted for reclassification. Please note that once Handelsbanken has registered the notification of reclassification, shareholders may not dispose of the shares submitted for reclassification until the reclassification has been completed. The reclassification of Class A shares into Class B shares will be effected after the end of the notification period. The reclassified shares are expected to be registered in the respective holders' VP accounts in mid-August 2025. Following the completed reclassification, Euroclear Sweden will send a note to directly registered shareholders showing the number of Class B shares in Kinnevik received as a result of the reclassification. Shareholders with nominee-registered holdings will be notified by their nominee.

### **Withdrawal of the notification of reclassification**

Shareholders may withdraw the notification by sending a written notice to Handelsbanken at the address above. Notice of withdrawal of the notification must be received by Handelsbanken no later than 31 July 2025. After 31 July 2025, the notification for reclassification is binding and cannot be withdrawn. If the shares are nominee-registered, the withdrawal must be submitted to your nominee well in advance of 31 July 2025.

### **Nominee-registered shareholdings**

Reclassification of and notification to shareholders whose shares are nominee-registered will be made in accordance with the respective nominee's procedures. Please contact your nominee for further information.
